Sector D Country Club Village, Baguio City / School ID 221502

**FACULTY MEETING: School Safety, Emergency
Preparedness, Learning Continuity
S.Y 2026-2027
July 17, 2026**

A. MINUTES OF MEETING

TOPIC	AGREEMENT
School Safety, Security, and Anti-Bullying Measures Facilitator: Sir Claudio Salinas Administrative Aide	A. Operation Kapkap (School Security Inspection) ✓ The school shall strengthen the implementation of Operation Kapkap to ensure the safety and security of all learners. ✓ It was noted that some parents unknowingly or intentionally allow learners to bring prohibited items to school. Parents shall be continuously reminded of their responsibilities in ensuring that learners do not bring dangerous objects. ✓ Sharp objects such as scissors, cutters, and similar materials shall be temporarily collected by teachers upon learners' arrival. These materials shall only be distributed during classroom activities that require their use and shall be returned immediately after the activity. ✓ Learners shall not be permitted to leave the school premises once they have entered the campus. B. Bullying Prevention and Intervention ✓ The faculty discussed incidents of bullying occurring outside the school premises and emphasized the importance of preventive education. ✓ Common contributing factors identified include excessive exposure to inappropriate media content, teasing, physical altercations ("rumbles"), and fraternity-related influences. ✓ Teachers shall continue strengthening values formation and promote respectful behavior among learners through

	classroom guidance and positive discipline. C. Prevention of Harassment ✓ The meeting emphasized the need to immediately address all forms of harassment, including inappropriate peeking, unwanted touching, whistling, and other behaviors that may compromise learners' safety and dignity. ✓ Teachers are encouraged to remain vigilant and report incidents promptly following existing child protection policies. D. Bomb Threat and Emergency Response Procedures ✓ In the event of a bomb threat or bombing incident within the school, Mr. Claudio Salinas shall immediately coordinate with the School Head, Mrs. Jane L. Adolfo. ✓ The School Head shall promptly notify the Philippine National Police (PNP) and the appropriate Explosive Ordnance Disposal (EOD) or Bomb Squad for immediate response. ✓ The faculty reviewed the emergency alert levels: Yellow Alert; Orange Alert; Red Alert ✓ A school emergency simulation for Grades 5 and 6 learners shall be conducted the following week to reinforce preparedness and proper emergency response.
Learning Action Cell (LAC) Session Echo from the Division Office Facilitator: Ma'am Jane L. Adolfo School Head	A. Highlights of DepEd Order No. 14, s. 2026 ✓ Teachers shall complete the Learner's Profile to support learner capacity mapping, particularly for synchronous and alternative learning modalities during emergencies. ✓ Learning materials shall be prepared and organized to facilitate immediate distribution whenever classes are suspended or disrupted. ✓ Teachers are encouraged to regularly monitor weather advisories issued by DOST-PAGASA to prepare Learning Activity Sheets (LAS) in advance when necessary. ✓ Ma'am Mona Rizza Agsi was designated to regularly monitor official weather updates and provide timely information to the school. ✓ The school shall maintain an updated inventory of learning resources, including textbooks, modules, Learning Activity Sheets, and other instructional materials. ✓ The importance of promoting learners' mental wellness, psychosocial support,

and overall safety during emergencies was emphasized.

B. Key Provisions of DepEd Order No. 22, s. 2024

- ✓ The principles of "Hayo, Hinay, Hinga at Hinto" were highlighted to ensure the safety, well-being, and welfare of both learners and school personnel during emergencies and disruptions.
- ✓ During emergency learning delivery, teachers shall prioritize core learning areas when preparing Learning Activity Sheets.
- ✓ Classroom activities should include regular learner check-ins to monitor emotional well-being.
- ✓ Teachers are encouraged to provide Psychological First Aid (PFA) whenever necessary.
- ✓ The use of integrative assessment strategies is encouraged to minimize learner workload while effectively measuring learning outcomes.

C. Learner Profiling Requirements

- ✓ Based on the guidance shared by Sir Clifton during the Division LAC Session, comprehensive learner profiling shall be conducted using the prescribed national format.
- ✓ The following information shall be included:
 - Reading proficiency level;
 - Availability of learning resources and instructional materials at home;
 - Parents' availability and capacity to support learning;
 - Internet connectivity and availability of digital devices for online learning;
 - Availability of a conducive learning space at home;
 - Learners with special educational needs; and
 - Learners belonging to Indigenous Peoples (IP) communities.

D. Additional School Safety Measures

- ✓ Appropriate signage stating "No Entry for Unauthorized Persons" or "Unauthorized Persons Are Not Allowed Inside the School Premises" shall be installed at the school entrance to strengthen campus security.
- ✓ During the upcoming General PTA Assembly, parents shall be informed that alumni and other visitors should minimize unnecessary entry into the school premises to help maintain a safe and secure learning environment.
